## THINK IT OVER

### Either Mr. Taft or Mr. Wilson Will be Elected President

In Kentucky, the Progressive Party will fall far short of securing the required number of votes to qualify it as a political party within the provisions of our election laws. This is indicated clearly by their insignificant registration, and by the reports received py the Committee, of conditions throughout the State.

Since the middle of September, the DRIFT HAS BEEN STEADILY TOWARD THE RE-ELECTION OF MR. TAFT and is INOREASING IN FORCE as the election draws near.

The reason for this is apparent to any one giving the matter a moment's consideration. CONTINUOUS EMPLOY. MENT IS AT HAND for all those who desire to find it and REMUNERATIVE PRICES REWARD THE PRODUCERS. THIS MEANS COMFORT FOR THE PEOPLE GENERALLY and accounts also for the absence of political excitement.

The VIOLATION OF THE MOST SACRED TRADITION OF THE REPUBLIC; opposition to a THIRD TERM as President for any man, and the ECONOMICAL THEOSIES and VITAL CONSTITUTIONAL CHANGES involved in the candidacy of Mr. Roosevelt, are issues of extreme importance, but the fact that HIS DEFEATIS CONCEDED BY ALL, except his most aident supporters, has to a large extent climinated them from consideration.

THE RACE BEING BETWEEN THE REPUBLICAN AND DEMOCRATIC CANDIDATES; our confidence that the good indgement of the people will lead them to RE-ELECT MR. TAFT is based upon the record; THE REPUB-LICAN PARTY BELIEVES IN, AND WILL ADHERE TO THE PROTECTIVE TARIFF SYSTEM.

THE DEMOCRATIC PARTY BELIEVES IN TARIFF FOR REVENUE ONLY, which means FREE TRADE, and, if placed in power, will, if true to their platform declaration, seek at once to wipe out and DESTROY ALL ELEMENTS OF PROTECTION in our tariff laws. Their platform declarations of 1892 and 1912 on this question are identical and, in both, a PROTECTIVE TARIFF IS DENOUNCED AS UN-CONSTITUTIONAL.

In 1892 the Democratic Party was successful upon this issne and they tried their hand on the tariff and the results is well remembered. DISTRESS, MISERY, WANT AND AC-TUAL STARVATION WERE GENERAL THROUGHOUT THE LAND and continued notil the election of Mckinley and the restoration of the Republican Party to control, They, of course, try to explain and absolve themselves of responsibility for the result, but they crunot deny actual conditions as they existed during their complete control of the executive and legislative branches of our government. . .

NOW THE COUNTRY PROSPERS. Business prostration many line exists no where within its borders. The affairs of the government have been economically and efficiently administrated. The GOVERNMENT'S CONTROL OF TRUSTS HAS BEEN STRENGTHENED. A surplus remains in the treasurey after the payment of all expenses. The trade of the country is larger than at any other period in its history.

A Republican Administration, with Mr. Taft as its head, has been and is now in charge. WE KNOW WHAT WE HAVE IN 1912. WE KNOW WHAT WE GOT AS A RE-

Under the one PROSPERITY and PLENTY, under the other DISASTER and DISTRESS.

THAT WHICH IS GOOD. DANGER LERKS IN A CHANGE. No risk except in a change. Then why take it? A VOTE FOR ROOSEVELT IS WORSE THAN WASTED; it is a vote to take the risk.

SO, MR. VOTER, whatever may be your occupation, THINK IT OVER, while you get have time, and LET YOUR VOTE SQUARE WITH YOUR JUDGEMENT.

#### Roosevelt Delegates for Taft

Letter of Wan, Heyburn, President Belknap Hdw. & Mfg. Co., and Roosevelt Delegate from Louisville to the Republican National Convention.

Lonisville, Ky., October 25, 1912.

Mr. Chas. L. Scholl, Louisville, Ky.

My dear Sir :-

Referring to your question as to what candidate I have decided to vote for, for President, at the November election, I would say that I am going to vote for Messrs. Taft and Sherman, whom I regard as the regular nominees for the Republican Party,

lattended the Chicago Convention as a Roosevelt delegate, but from my observetion and experience there, I considered it was fortunate for the country and for the Republican Party as well, that Mr. Roosevelt was not nominated. I became convinced that Mr. Roosevelt's candidacy was the result of personal ambition and not for the purpose of furthering any particular policies or principles. I believe that with Mr. Roosevelt's co-operation it was possible for the Progressive element of the Republican Party to have nominated Governor Hodley or Senator Cummins, to have made any changes in the platform that might have been desirable, to have revised the rules so as to eliminate the anthority of the National Commit tee, where ever such anthority as they had might be abused, and more important than all, to preserve the integrity and usefulness of the Republican Party

Mr. Roosevelt's followers, by reason of their passionately stormy methods, used where no principles could possibly be involved with the same vehemence as where principles might be involved, destroyed my confidence in their level-headedness and good judgement. I was well prepared by what I saw nt Chicago, for the lack of the sense of proportion that lead to the action of the Roosevelt supporters in undertaking to establish the Progressive Party.

As for myself, I can see no hope of accomplishing progressive measures by this procedure, and grave danger of weakening the influence of the Republican Party for good along many

The Republican platform relative to Tariff policeis appeals to me with peculiar force. I have had the advantage of knowing something about the working effect of tariff schednles and tariff policies on business, and, without feeling intolerant of the opinion of other men, am satisfied that the Republican policy of protection is for the general interest as well as general prosperity, I believe that if Dr. Wilson is elected President, he will probably call an extra session of Congress to revise the Tariff, and immediately business will stagnate. The demand for the products of the farm and factory will drop off and the necessary accompaniment to this will be a falling market. If the Tariff schedules are so made as to threaten American producers with serious competition wit theh forceign

THE ONLY SAFE COURSE LIES IN HOLDING ON TO producers, I can see no logicain changing the Tariff, hence the program of the Democratic Party becomes a futile one.

No one who is thoughtful can doubt that if the Democratic Party is elected to power by, a large majority, as some claim it will be, it will be a very radical Tree trade, or, "Tarill for revenue only" Party. No honeyad pre-election phrases of Dr. Wilson, delivered in Pittsburg to placate the voter in the district, where protection sentiment is supposed to be extensive, will change this fact. Those who vote for Dr. Wilson, should ala it with the full knowlegge of what. It means, and should not vote for him unless they believe in the tariff for revenue only, which is the real meaning of the Democratic platform and the real intention of the Democratic Party. Those who believe in a protective tariff policy and expect to make their vote effective, should in my opinion, stay with the Republi. can Party, whether in their opinion it is managed in every detail to suit them or not.

> Yours very truly, William Heyburn,

Letter from Judge B. J. Bethurum, of Somerset, Roosevelt delegate from the Eleventh District to the National, Republican Convention.

Somersey, Ky., Oct. 7, 1912.

Mr. H. T. Arterberry, Tompkinsville, Ky.

Dear Sir:

I am in receipt of your letter of the 4th instant," in which you invite me to make some speeches in Monroe county for the Progressive ticket. In answer to the same will say, that I must decline to do so for the reason that. I do not belong to the Third party, but I am a Republican and expects to loyally support that party and its ticket in the coming election.

I was, as you knew, a supporter of Mr. Roosevelt, before the Convention at Chicago, and while some things were indulged in at that Convention to bring about the defeat of the Colonel that I do not indorse nor approve, yet, having always affiliated with the Republican organization, and having always been perfectly satisfied with the principles of that party, I cannot now leave the party that has such a glorious record of achievement, and follow Mr. Roosevelt into a new third party, simply because some members of that party have done wrong. While yet young, I was taught by my parents that the Republican party was the one political organization that stood by the rights of the people, that stood for liberty, for progress, that stood for the maintenance of the credit of the country both at home and abroad. I was further taught that this old party was born during a crisis in the nation's history; that it sprang into existence as the champion of the liberty of a shackled race, and not only gave them their liberty, but gave to them the franchise as well. I find that history verilies and confirms all of my early teachings, and that the great party has continued throughout all these years to meet and master the great and difficult problems of government and to skilfully and prindently manage the affairs of our country. No other party can boast of so much. A party with a record like ours should not die, but should live forever. I am one who believes that its mission for good is not spent, is not at an end, but that it will continue in the future, as in the past, to respond to the country's needs. When Colonel Roosevelt decided to withdraw from the Republican party, and form a new and distinct third party, then like Governor Hadley and others of his original supporters, I decided that I could not follow him longer, but would stand by the party of Lincoln, Grant and McKinley, which has bestowed upon me so many honors and favors in the past.

With very kind regards, 1 am, Yours sincerely,

B. J. Bethurum,

Man obviously ought to seek God, he ought to he asking the question, "Where shall find him?" but God anticipales man in this search and comes frequently and asks, as in the text, "Where art thou?" JUDGE ANDREW J. KIRK.

## All Parties Are For Judge Kirk

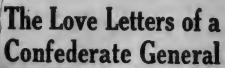

SO SAY WE ALL OF US.

(Lexington Leader)

HE Louisville Evening Post offers a suggestion which the Leader gladly endorses. It is that all parties unite in supporting Circuit Judge A. J. Kirk for the vacancy on the Court of Appeals bench caused by the resignation of Judge E. C. O'Rear which was filled temporarily by the appointment of Mr. Robert H. Winn by Governor Wilson. Judge Kirk is an ideal selection and is sure of nomination and election no matter what happens in Kentucky or the Nation, but his endersement by all parties would have a good of fect. The Post says on this subject:

"The retirement of all other candidates makes certain the nomination by the Republicum party of Judge Andrew J. Kirk, of Johnson county, for the vacancy upon the Kentucky Court of Appeals to be caused by the retirement of Judge R. H. Winn in November. Mr. Kirk is now a Circuit Judge, and one of the best in Kentucky. The district is sooverwhelming Republican that even in Mis year of certain Republican disaster the Republican nominee should win easily. Moreover, Imige kirk is of the material out of which Appellate Judges should be made. The Democratic party will do a graceful act in not contesting the election, and Wilson, Taft and Roosevelt men can all unite in the promotion of this dudge

"So say we all of us." We believe the Leader and Post express the sertiment of practically the entire district and that the suggestions offered will be acted upon by the voters of the district.
